Mr. John N. Brown,
Publishing Editor,
c/o Mediaeval Academy of America,
Cambridge, Mass.

Dear Sir:

Thank you very much indeed for the two reprints of Mr. Peirce's review of Professor Pelling's article in the January issue of *Speculum*. I am very glad to have these, and hope that this review may serve as an entering wedge and make some of the readers of *Speculum* realize the wealth of material that is at their disposal in this museum.

Very truly yours,

Secretary
